PROXY STATEMENT

Annual Meeting of Stockholders of TeraWulf Inc. to be held on April 16, 2024

Some Questions You May Have Regarding This Proxy Statement

Why did I receive these proxy materials?

The Board of Directors (the “Board of Directors”) of TeraWulf Inc. (the “Company”) is soliciting proxies for our 2024 Annual Meeting of Stockholders (the “Annual Meeting”). The Annual Meeting will be held in a virtual meeting format only, on Thursday, April 16, 2024, at 11:00 A.M., Eastern Time. As a holder of shares of our Common Stock, par value \$0.001 per share (“Common Stock”), or as a holder of shares of our Series A Convertible Preferred Stock, par value \$0.001 per share (“Series A Preferred Stock”), as of the close of business on March 19, 2024, which is the record date (the “Record Date”) fixed by the Board of Directors, you are invited to attend the Annual Meeting and are entitled and urged to vote your shares on the proposals described in this proxy statement. The information included in this proxy statement relates to the proposals to be voted on at the Annual Meeting, the voting process, the compensation of directors and our most highly paid executive officers, and other matters. Our annual report to stockholders for the fiscal year ended December 31, 2023 is available to review with this proxy statement.

What proposals will be voted on at the Annual Meeting?

The three matters scheduled to be voted on at the Annual Meeting are:

1. The election of Paul Prager, Nazar Khan, Kerri Langlais, Michael Bucella, Walter Carter, Amanda Fabiano, Christopher Jarvis, Catherine Motz, Steven Pincus and Lisa Prager to the Company’s Board of Directors for one-year terms;
2. An advisory vote to approve the compensation of our named executive officers (“Say-on-Pay”);
3. The ratification of the appointment of RSM US LLP (“RSM”) as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2024; and
4. The approval of an amendment to the Amended and Restated Certificate of Incorporation of the Company to increase the maximum number of authorized shares of common stock, with the par value of \$0.001 per share, from 400,000,000 to 600,000,000 (the “Charter Amendment”).

In addition, such other business as may properly come before the Annual Meeting or any adjournment or postponement thereof may be voted on.

Who can vote at the Annual Meeting?

Anyone owning shares of Common Stock or Series A Preferred Stock at the close of business on the Record Date for this year’s Annual Meeting is entitled to attend and to vote on all items properly presented at the Annual Meeting.

Stockholder of Record: Shares Registered in Your Name If, at the close of business on the Record Date, your shares were registered directly in your name with our transfer agent, EQ Shareowner Services (“EQ”), then you are a stockholder of record. As a stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card, to vote electronically at the Annual Meeting, or by Internet or by telephone, or, if you received paper copies of the proxy materials by mail, to vote by mail by following the instructions on the proxy card or voting instruction card.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank If, at the close of business on the Record Date, your shares were held not in your name, but rather in an account at a brokerage firm, bank or other nominee, then you are the beneficial owner of shares held in “street name” and the Notice is being forwarded to you by that nominee. The nominee holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other nominee regarding how to vote the shares in your

account by following the voting instructions your broker, bank or other nominee provides. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares electronically at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee. Please see “How do I vote” below regarding voting procedures for beneficial owners.

How do I vote?

Stockholder of Record: Shares Registered in Your Name If you are a stockholder of record, you may vote in any one of the following ways:

- **You may vote at the Annual Meeting.** If you or your proxy wish to vote at the Annual Meeting, you or your proxy will need to attend the Annual Meeting by visiting www.proxypush.com/WULF. To be admitted to the virtual meeting, eligible persons must first register at anytime before the Annual Meeting by visiting register.proxypush.com/WULF on their smartphone, tablet or computer. You will then be required to enter your 16-digit control number included in your voting instruction form or proxy card. If you encounter any difficulty accessing the Annual Meeting or during the Annual Meeting, please call the technical support number posted on the Annual Meeting Website. The technical support number will be available at least 15 minutes before the start of the meeting. If you vote in advance online, by phone or by mailing in a proxy card, you may still attend the Annual Meeting and vote during the meeting, but, in that case, only the votes you enter during the meeting will count. Even if you plan to attend the Annual Meeting, we recommend that you also vote either by telephone, by Internet, or by mail so that your vote will be counted if you ultimately decide not, or are unable, to attend.
- **You may vote by mail.** To vote by mail, complete, sign and date the proxy card that accompanies this proxy statement and return it promptly in the postage-prepaid envelope provided (if you received printed proxy materials). Your completed, signed and dated proxy card must be received prior to the Annual Meeting.
- **You may vote by telephone.** To vote over the telephone, call toll-free 1-866-883-3382 from any touch-tone telephone and follow the instructions. Have your Notice or proxy card available when you call. You will be asked to provide the control number from your Notice or proxy card. Telephone voting is available 24 hours a day, 7 days a week, until 11:59 p.m., Eastern Time, on April 15, 2024.
- **You may vote via the Internet.** To vote via the Internet, go to www.proxypush.com/WULF to complete an electronic proxy card (have your Notice or proxy card in hand when you visit the website). You will be asked to provide the control number from your Notice or proxy card. Internet voting is available 24 hours a day, 7 days a week, until 11:59 p.m., Eastern Time, on April 15, 2024.

Beneficial Owner of Shares Held in “Street Name”: *Shares Registered in the Name of a Broker, Bank or Other Nominee* If you are a beneficial owner of shares held of record by a broker, bank or other nominee, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank or other nominee in order to instruct your broker, bank or other nominee on how to vote your shares. Beneficial owners of shares should generally be able to vote by returning the voting instruction card received from their broker, bank or other nominee to such nominee, or by telephone or via the Internet. However, the availability of telephone or Internet voting will depend on the voting process of your broker, bank or other nominee. As discussed above, if you are a beneficial owner, you may not vote your shares electronically at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee. We therefore urge you to vote in advance of the Annual Meeting using the voting instructions provided by your broker, bank or other nominee.

How can I participate during the Annual Meeting?

We have designed the virtual Annual Meeting to provide substantially the same opportunities to participate as shareholders would have at an in-person meeting. Our virtual Annual Meeting will be conducted on the Internet via live webcast. Shareholders will be able to attend and participate online and submit questions in advance and during the Annual Meeting by visiting www.proxypush.com/WULF.

The virtual Annual Meeting format allows shareholders to communicate with us during the Annual Meeting so they can ask questions of our management and Board, as appropriate. If you wish to submit a question or questions in advance of the Annual Meeting, you may do so at www.proxypush.com/WULF on an ongoing basis. If you wish to submit a question during the Annual Meeting, you may do so by logging into the virtual meeting platform at

www.proxypush.com./WULF, clicking the Q&A button on your screen and typing your question into the provided text field.

We reserve the right to exclude questions regarding topics that are not pertinent to meeting matters or Company business or are inappropriate. If we receive substantially similar questions, we may group such questions together and provide a single response to avoid repetition. Any questions that are appropriate and pertinent to the Annual Meeting will be answered in the live Question and Answer session during the Annual Meeting, subject to time constraints. Additional information regarding the ability of shareholders to ask questions during the Annual Meeting, related rules of conduct, and other materials for the Annual Meeting will be available during the Annual Meeting at www.proxypush.com/WULF.

Can I change my vote or revoke my proxy?

Stockholder of Record: Shares Registered in Your Name If you are a stockholder of record, you can change your vote or revoke your proxy by:

- Providing another proxy, or using any of the available methods for voting, with a later date;
- Notifying the Company's Secretary in writing before the Annual Meeting that you wish to revoke your proxy; or
- Voting at the Annual Meeting.

Beneficial Owner of Shares Held in "Street Name": Shares Registered in the Name of a Broker, Bank or Other Nominee If you are the beneficial owner of your shares, you must contact the broker, bank or other nominee holding your shares and follow their instructions to change your vote or revoke your proxy.

Who is asking me for my vote?

The Company is soliciting your proxy on behalf of the Board of Directors. The Company will bear the cost of soliciting proxies and will reimburse brokerage firms and others for expenses involved in forwarding proxy materials to beneficial owners or soliciting their execution. In addition to solicitations by mail, the Company, through its directors and employees, may solicit proxies in person, by telephone or by electronic means. Such directors and employees will not receive any special remuneration for these efforts.

What is the effect of giving a proxy?

Proxies are solicited by and on behalf of our Board of Directors. The persons named in the proxy have been designated as proxies for the Annual Meeting by our Board of Directors. When proxies are properly dated, executed and returned, the shares represented by such proxies will be voted at the Annual Meeting in accordance with the instructions of the stockholder on such proxy. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our Board of Directors on the proposals as described below and, if any other matters are properly brought before the Annual Meeting, the shares will be voted in accordance with the proxies' judgment.

What are my voting rights?

Each share of Common Stock is entitled to one vote on each matter properly presented at the Annual Meeting and each share of Series A Preferred Stock is entitled to vote with the Common Stock on an as-converted basis, voting together as a single class. At the close of business on the Record Date, there were 302,235,299 shares of Common Stock outstanding and 9,566 shares of Series A Preferred Stock, representing 1,142,335 shares of Common Stock on an as-converted basis. A list of all record stockholders as of the Record Date will be available during ordinary business hours at the Company's principal place of business located at 9 Federal Street, Easton, MD 21601, from Friday, April 5, 2024, at least 10 days before the Annual Meeting, and will also be available for inspection at the Annual Meeting.

How does the Board of Directors recommend that I vote?

The Board of Directors recommends that you vote:

- FOR the election of each of the director nominees named in this proxy statement;
- FOR the approval, on a non-binding, advisory basis, of the compensation of our named executive officers;

- FOR the ratification of the appointment of RSM US LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2024; and
- FOR the approval of the Charter Amendment.

What is the quorum requirement for the Annual Meeting?

A quorum is the minimum number of shares required to be present or represented at the Annual Meeting for the meeting to be properly held. The presence, represented in person or by proxy, of the holders of a majority of the voting power of our outstanding Common Stock and Series A Preferred Stock entitled to vote at the Annual Meeting will constitute a quorum to transact business at the Annual Meeting. Abstentions, “WITHHOLD” votes and “broker non-votes” are counted as present and entitled to vote for purposes of determining a quorum. If there is no quorum, the chair of the meeting may adjourn the meeting to another time or place.

What are broker non-votes?

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker, bank or other nominee, as applicable, as to how to vote on matters deemed “non-routine” and there is at least one “routine” matter to be voted upon at the Annual Meeting. The beneficial owner of shares held in “street name” is entitled to give voting instructions to the broker, bank or other nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker, bank or other nominee can still vote the shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. In the event that a broker, bank or other nominee votes shares on the “routine” matters but does not vote shares on the “non-routine” matters, those shares will be treated as broker non-votes with respect to the “non-routine” proposals. Accordingly, if you own shares through a nominee, such as a broker or bank, please be sure to instruct your nominee how to vote to ensure that your vote is counted on each of the proposals.

What matters are considered “routine” and “non-routine”?

The ratification of the appointment of RSM US LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2024 (Proposal No.3) and the Charter Amendment (Proposal No. 4) are considered “routine.” The election of directors (Proposal No. 1) and the non-binding, advisory vote to approve the compensation of our named executive officers (Proposal No. 2) are considered “non-routine.”

What are the effects of abstentions and broker non-votes?

An abstention represents a stockholder’s affirmative choice to decline to vote on a proposal. If a stockholder indicates on its proxy card that it wishes to abstain from voting its shares, or if a broker, bank or other nominee causes abstentions to be recorded for shares, these shares will be considered present and entitled to vote at the Annual Meeting. As a result, abstentions will be counted for purposes of determining the presence or absence of a quorum and will also count as votes against a proposal in cases where approval of the proposal requires the affirmative vote of a majority of the voting power of the shares present or represented by proxy and entitled to vote on such proposal at the Annual Meeting (Proposal Nos. 2, 3 and 4). However, because the outcome of Proposal No. 1 (election of directors) will be determined by a plurality vote, you may only vote “FOR” or “WITHHOLD” authority to vote for each of the nominees. If you “WITHHOLD” authority to vote with respect to one or more director nominees, your vote will have no effect on the election of such nominees.

Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting. Broker non-votes will not be counted for purposes of determining the number of votes cast on a proposal. Therefore, a broker non-vote will make a quorum more readily attainable but will not otherwise affect the outcome of the vote on any of the proposals.

What is the voting requirement to approve each of the proposals?

Proposal No. 1: Election of Directors. Directors are elected by a plurality of the votes cast. For each director nominee, you may vote (i) “FOR” or (ii) “WITHHOLD.” Because the outcome of this proposal will be determined by a plurality vote, shares voted “WITHHOLD” will not prevent a director nominee from being elected as a director. Broker non-votes will not affect the outcome of voting on this proposal.

Proposal No. 2: "Say-On-Pay." The approval, on a non-binding, advisory basis, of the compensation of our named executive officers requires the affirmative vote of the majority of voting power of the shares present or represented by proxy at the Annual Meeting and entitled to vote thereon. You may vote "FOR," "AGAINST" or "ABSTAIN" on this proposal. Abstentions will count towards the quorum requirement for the Annual Meeting and will have the same effect as a vote against the proposal. Broker non-votes will not affect the outcome of voting on this proposal. While the results of this advisory vote are non-binding, the Board values the opinions of our stockholders and will consider the outcome of the vote, along with other relevant factors, in deciding whether any actions are necessary to address the concerns raised by the vote and when making future compensation decisions for our named executive officers.

Proposal No. 3: Ratification of Appointment of RSM US LLP. The ratification of the appointment of RSM US LLP requires the affirmative vote of a majority of the voting power of the shares present or represented by proxy at the Annual Meeting and entitled to vote thereon. You may vote "FOR," "AGAINST" or "ABSTAIN" on this proposal. Abstentions will count towards the quorum requirement for the Annual Meeting and will have the same effect as a vote against the proposal. As it is a "routine" proposal, we do not expect broker non-votes on this proposal.

Proposal No. 4: Charter Amendment. The approval of the Charter Amendment to increase the number of authorized shares requires the affirmative vote the holders of at least a majority of the total outstanding shares entitled to vote, regardless of whether such shares are present in person or represented by proxy at the Annual Meeting. You may vote "FOR" or "AGAINST" this proposal, or you may indicate that you wish to "ABSTAIN" from voting on this proposal. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum and will have the same effect as a vote "AGAINST" this proposal. As a "routine" proposal, we do not expect broker non-votes on this proposal.

Who will count the votes?

A representative of EQ will tabulate the votes and act as inspector of elections.

May I vote confidentially?

Yes. Our policy is to keep your vote confidential, except as otherwise legally required, to allow for the tabulation and certification of votes and to facilitate proxy solicitation.

What if additional matters are presented at the Annual Meeting?

We do not know of any business to be considered at the Annual Meeting other than the proposals described in this proxy statement. If any other business is presented at the Annual Meeting, your properly executed proxy gives authority to Paul Prager, the Chairman of our Board of Directors, and Stefanie C. Fleischmann, our Chief Legal Officer and Secretary, to vote on such matters at their discretion.

How is solicitation being made?

We are making this solicitation and as such, the cost of solicitation of proxies will be borne by us. Our directors, officers and employees may make solicitation, personally or by telephone, email or fax. The Notice of Annual Meeting, the proxy statement and proxy card will be distributed to beneficial owners of common stock through brokers, custodians, nominees and other like parties, and we expect to reimburse such parties for their charges and expenses. We have retained D.F. King, a proxy solicitor, to assist us in the solicitation of proxies for the Annual Meeting. The Company will pay D.F. King \$12,500 plus reimbursement for its reasonable out-of-pocket expenses. The Company will indemnify D.F. King and its affiliates against certain claims, liabilities, losses, damages and expenses for its services as our proxy solicitor.

We may supplement the original solicitation of proxies by mail with solicitation by telephone, and other means by directors, officers and/or employees of the Company and by Internet, phone or other means by D.F. King. We will not pay any additional compensation to these individuals, other than D.F. King, for any such services.

Where can I find the voting results from the Annual Meeting?

We will announce preliminary voting results at the Annual Meeting and will publish final results in a Current Report on Form 8-K that we will file with the Securities and Exchange Commission (the "SEC") within four (4) business days after the date the Annual Meeting concludes.

How can I obtain information about the Company?

A copy of our annual report on Form 10-K for the fiscal year ended December 31, 2023 (our “Annual Report”) is available on our website at www.investors.terawulf.com. Stockholders may also obtain a free copy of our Annual Report, including the financial statements and the financial statement schedules, by visiting our website or by sending a request in writing to Attention: Chief Legal Officer, TeraWulf Inc., 9 Federal Street, Easton, MD 21601.

PROPOSAL 1 – ELECTION OF DIRECTORS

Under the Company’s amended and restated bylaws (the “bylaws”) and an amended and restated certificate of incorporation (the “certificate of incorporation”), the Board of Directors shall consist of not less than three (3) nor more than ten (10) members, which number is determined by resolution of the Board of Directors. Directors are elected at each annual meeting of stockholders by the plurality of the votes cast. Except for directors elected by the holders of any series of preferred stock, any director or the entire Board may be removed from office at any time, with or without cause, but only by the affirmative vote of a majority of the total voting power of the outstanding shares of capital stock entitled to vote generally in the election of directors, voting together as a single class. Newly created directorships resulting from any increase in our authorized number of directors or any vacancies in our Board of Directors resulting from death, resignation, retirement, removal from office or other cause shall be filled solely by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum of the Board, or by a sole remaining director. The Board of Directors currently consists of nine directors.

All nominees for directors are members of the current Board of Directors. If any nominee for election to the Board of Directors should be unable or unwilling to accept nomination or election as a director, which is not expected, your proxy may be voted for a substitute or substitutes designated by the Board of Directors or the number of directors constituting the Board of Directors may be reduced in accordance with the Company’s certificate of incorporation and bylaws.

The Board of Directors recommends that the stockholders vote FOR the election of the nominees for directors listed below.

Required Vote

The directors will be elected by a plurality of the votes cast at the Annual Meeting. Shares voted “WITHHOLD” will not prevent a director nominee from being elected as a director. Brokers do not have the discretion to vote any uninstructed shares over the election of directors. Such broker non-votes will not affect the outcome of voting on this proposal.

CORPORATE GOVERNANCE

Director Independence

Nasdaq listing rules generally require that a majority of a company’s board of directors must consist of “independent directors” within the meaning of Nasdaq listing rules. The Board of Directors has determined that each of Michael Bucella, Walter Carter, Amanda Fabiano, Christopher Jarvis, Catherine Motz and Steven Pincus is an “independent director” within the meaning of Nasdaq listing rules.

Board of Directors Leadership Structure and Board’s Role in Risk Oversight

The Board of Directors is responsible for overseeing the Company’s risk management process. The Board of Directors focuses on the Company’s general risk management strategy and the most significant risks facing the Company and oversees the implementation of risk mitigation strategies by the Company’s management. The Board’s Audit Committee is also responsible for discussing the Company’s policies with respect to risk assessment and risk management. The Board of Directors believes its administration of its risk oversight function has not negatively affected the leadership structure of the Board of Directors.

Paul Prager currently serves as the Chairman of our Board of Directors and our Chief Executive Officer. Our Board of Directors does not currently have a policy as to whether the role of Chairman of our Board of Directors and the Chief Executive Officer should be separate. Instead, such a relationship is defined and governed by the certificate of incorporation and the bylaws, which permit the same person to hold both offices. In addition, Steven Pincus is currently serving as our lead independent director.

The Board of Directors understands that no single approach to board leadership is universally accepted and that the appropriate leadership structure may vary based on several factors, such as a company’s size, industry, operations,

history and culture. Accordingly, our Board of Directors assesses its leadership structure in light of these factors and the current environment to achieve the optimal model for us and for our stockholders.

The composition of the Board of Directors, the tenure of the directors with the Company, the overall experience of the directors and the experience that the directors have had with the Chairman and the executive management team permit and encourage each member to take an active role in all discussions, and each member does actively participate in all substantive discussions. We and our Board believe that our current Board of Directors leadership structure is currently serving the Company well

- the Company's long-term strategic plan, as developed by the Company's management and approved by the Board;
- exploration of partnerships or other strategic arrangements;
- any potential extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Company or any of its subsidiaries; and

- report to the Board as needed, and as the Board may request.

Director Nominations

The Nominating and Corporate Governance Committee is responsible for selecting and/or approving director nominees and recommending their approval to the Board of Directors. The Nominating and Corporate Governance Committee considers director candidates recommended for nomination by the Company's stockholders during such times as they are seeking proposed director nominees to stand for election at the next annual meeting of stockholders (or, if applicable, a special meeting of stockholders). A stockholder of the Company that wishes to nominate a director for election to the Board of Directors should follow the procedures set forth in the bylaws.

The Company's Corporate Governance Guidelines detail minimum qualifications that must be met or skills that are necessary for directors to possess when the Nominating and Corporate Governance Committee is recommending candidates for election, and the Board of Directors, in approving (and in the case of vacancies, appointing) such candidates to the Board of Directors. They may each take into account many factors including: personal and professional integrity, ethics and values; experience in corporate management, such as serving as an officer or former officer of a publicly held company; strong finance experience; relevant social policy concerns; experience relevant to the Company's industry; experience as a board member or executive officer of another publicly held company; relevant academic expertise or other proficiency in an area of the Company's operations; diversity of expertise and experience in substantive matters pertaining to the Company's business relative to other Board of Directors members; diversity of background and perspective, including, but not limited to, with respect to age, gender, race, place of residence and specialized experience; practical and

mature business judgement, including but not limited to, the ability to make independent analytical inquiries; and any other relevant qualifications. The Board of Directors evaluates each individual in the context of the Board of Directors as a whole, with the objective of assembling a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgement using its diversity and experience in these various areas. In determining whether to recommend a director for re-election, the Nominating and Corporate Governance Committee may also consider the director's past attendance at meetings and participation in and contribution to activities of the Board.

Compensation Committee Interlocks and Insider Participation

Members of our Compensation Committee during 2023 included Steven Pincus, Michael Bucella and Catherine Motz. None of these directors has ever served as an officer or employee of the Company. During 2023, none of the members of the Compensation Committee had any relationship with the Company requiring disclosure under Item 404 of Regulation S-K. None of our executive officers served as a member of the Board of Directors or Compensation Committee, or similar committee, of any other company whose executive officer(s) served as a member of our Board of Directors or our Compensation Committee.

Code of Ethics

Our Board of Directors has adopted a code of conduct and ethics that applies to all our directors, officers and employees and is intended to comply with the relevant listing requirements for a code of conduct as well as qualify as a "code of ethics" as defined by the rules of the SEC. The code of conduct and ethics contains general guidelines for conducting our business consistent with the highest standards of business ethics. We intend to disclose future amendments to certain provisions of our code of conduct and ethics, or waivers of such provisions applicable to any principal executive officer, principal financial officer, principal accounting officer and controller, or persons performing similar functions, and our directors, on our website at www.investors.terawulf.com. The code of conduct is available on our website.

Compensation Risk Assessment

We believe that the performance goals and incentive plan structures generally established under the Company's executive, annual and long-term incentive programs would not contribute to excessive risk taking by our senior executives or employees. The approved goals under our incentive programs are consistent with our financial operating plans and strategies, and these programs are discussed and reviewed by the Compensation Committee. The Company's compensation systems are balanced, rewarding both short-term and long-term performance, and its performance goals are team-oriented, rather than individually focused, and include measurable factors and objective criteria. The Compensation Committee is actively engaged in setting compensation systems, monitoring those systems during the year and using discretion in making rewards, as necessary. As a result of the procedures and practices described above, the Compensation Committee believes that the Company's compensation policies and practices for its employees do not encourage risk taking that is reasonably likely to have a material adverse effect on the Company.

Communications with the Board of Directors

Stockholders and other interested parties desiring to communicate directly with the full Board of Directors, the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee, the Strategic Review Committee, the Sustainability Committee, the non-management directors as a group or with any individual director or directors may do so by sending such communication in writing, addressed to the attention of the intended recipient(s), c/o the Office of the General Counsel, TeraWulf Inc., 9 Federal Street, Easton, MD 21601. Delinquent Section 16(a) Reports

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than 10% of our common stock, to file reports of ownership and changes of ownership of such securities with the SEC. Based solely on a review of the reports received by the SEC, the Company believes that during the fiscal year ended December 31, 2023, the Company's officers, directors and greater than 10% owners timely filed all reports they were required to file under Section 16(a), with the exception of our late Form 4 filings by each of Mr. Khan, Mr. Bucella, Mr. Carter, Ms. Motz, Mr. Pincus and Ms. Prager, due to an administrative error.

Hedging Policy

The Company's Securities Trading Policy discourages speculative hedging transactions, but does permit directors, officers and employees of the Company to enter into long-term (12 months or longer) hedging transactions that are designed to protect the individual's investment in his or her shares of common stock or stock options of the Company, subject to the pre-clearance procedures outlined in the Securities Trading Policy. The 2021 Plan is administered by the Compensation Committee of our Board of Directors.

Under the 2021 Plan, the Company is authorized to grant an aggregate of 15,685,119 shares of our common stock (the “Share Pool”) to eligible participants in the form of stock options, restricted stock awards, RSUs, stock appreciation rights, performance awards and other awards that may be settled in or based on our common stock. In addition, the 2021 Plan provides for an automatic increase in the number of shares reserved for issuance thereunder. The Share Pool will automatically increase each fiscal year following May 13, 2021, which began fiscal year 2022 and will end with fiscal year 2026 by the lesser of (i) 1% of the total number of shares of our common stock outstanding on the last day of the immediately preceding fiscal year on a fully diluted basis assuming that all shares available for issuance under the 2021 Plan are issued and outstanding or (ii) such number of shares of our common stock determined by our Board of Directors. The increase shall occur on the first day of each such fiscal year or another day selected by our board of during such fiscal year.

In 2023, the Company granted 800,000 RSUs and 1,200,000 PSUs to Mr. Fleury and 800,000 RSUs and 1,200,000 PSUs to Ms. Langlais, in each case, under the 2021 Plan. The RSUs are subject to service-based vesting conditions and will vest in two equal installments on each of the first two six-month anniversaries of the grant date. The PSUs are subject to performance-based vesting conditions measured over a three-year performance period and will vest based on the Company’s achievement of stock price hurdles as follows: (i) one-third of the PSUs are earned on the Company’s achievement of a stock price hurdle equal to \$1.50 per share or greater; (i) one-third of the PSUs are earned on the Company’s achievement of a stock price hurdle equal to \$2.50 per share or greater; and (iii) one-third of the PSUs are earned on the Company’s achievement of a stock price hurdle equal to \$3.50 per share or greater, in each case, subject to the named executive officer’s continued service through the applicable determination date. The stock price hurdle represents the average closing price of the Company’s common stock on Nasdaq during the 45 trading days immediately preceding the applicable determination date. All of the PSUs will be forfeited if the performance targets are not achieved within three years of the grant date.

Retirement Plans

The Company and its subsidiaries sponsor a 401(k) defined contribution retirement plan intended to qualify for favorable tax treatment under Section 401(a) of the Internal Revenue Code of 1986, as amended (the “Code”). Employees who meet the eligibility requirements may make pre-tax contributions to the applicable plan from their eligible earnings up to the statutorily prescribed annual limit on pre-tax contributions under the Code.

Under the Company’s defined contribution retirement plan, we match contributions made by participants in the 401(k) plan up to a specified percentage of the employee contributions, and these matching contributions are fully vested as of the date on which the contribution is made. Mr. Prager and Ms. Langlais each participate in the Company’s defined contribution retirement plan, while Mr. Fleury does not.

Health and Welfare Plans, Perquisites and Other Personal Benefits

Our named executive officers are eligible to participate in our employee benefit plans, including our medical, dental, vision, life and disability plans, in each case, on the same basis as all of our other employees.

From time to time, our named executive officers travel on a Company-chartered aircraft to maximize the efficiency of their travel and availability for Company business. On two occasions in 2023, family members or guests of Mr. Prager accompanied him on business trips on Company chartered aircraft at no incremental cost to us.

Other Compensation Policies and Practices

Securities Trading Policy

Our Securities Trading Policy provides that employees, including our executive officers and the members of our Board of Directors, are prohibited from engaging in transactions in our securities if such employee possesses material, non-public information about the Company. In addition, certain persons covered by our Securities Trading Policy must advise our Chief Legal Officer before effectuating any transaction in our securities. Because the Company believes it is improper and inappropriate for any person to engage in short-term or speculative transactions involving the Company’s securities, it is the policy of the Company that directors, officers and employees of the Company, and their related persons, are prohibited from engaging in any of the following activities with respect to securities of the Company: (i) purchases of the Company’s stock of the Company on margin generally; (ii) short sales; and (iii) buying or selling puts, calls, options or other derivatives in respect of the Company’s securities.

Clawback Policy

The SEC adopted final rules in October 2022 to implement Section 954 of the Dodd-Frank Act, which mandates national securities exchanges and associations to establish listing standards requiring all listed companies to adopt and comply with compensation recovery (clawback) policies for incentive-based compensation received by current and former executive officers based on financial statements that are subsequently restated, and to disclose their clawback policies in accordance with SEC rules. On October 27, 2023, Nasdaq proposed its clawback listing standards that generally align with the SEC’s adopted clawback rules and require listed companies to file clawback-related disclosures in applicable SEC filings. In light of Nasdaq’s adoption of its clawback listing standards, we adopted our new Clawback Policy, which will be filed as an exhibit to the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2023, that complies with the new SEC and Nasdaq listing standards, and provides that the Company shall recover certain incentive-based compensation of our current and former executive officers in the event the Company is required to issue restated consolidated financial statements with a qualifying accounting restatement.

(3) The market values shown above are based on the \$2.40 closing market price of our common stock on the last trading day of fiscal year 2023, December 29, 2023.

(4) This award of RSUs vests 50% on each of the first two six-month anniversaries of March 4, 2023.

(5) Pursuant to a grant of 1,200,000 PSUs on March 4, 2023, this amount represents the remaining unvested tranche of PSUs that would vest on the first day the average closing price per share for the prior 45 trading days equals or exceeds \$3.50. All of the PSUs will be forfeited if the performance targets are not achieved within three years of the grant date. In accordance with SEC rules, because the PSUs only provide for a single possible performance result, we have shown the number of shares that could be earned.

Potential Payments upon Termination or Change in Control

The following summaries describe the potential payments and benefits that we would provide to our named executive officers in connection with a termination of employment and/or a change in control, assuming the applicable triggering event occurred on December 31, 2023.

Severance Benefits - Paul Prager, Patrick Fleury and Kerri Langlais

The TW Employment Agreements provide that, if a named executive officer's employment is terminated by the Company without "cause" (including non-renewal of the term, except for Mr. Fleury) or by such named executive officer for "good reason" (each as defined in the applicable TW Employment Agreement), subject to such named executive officer's execution of an effective general release of claims and continued compliance with non-competition, non-solicitation and other restrictive covenants applicable to such named executive officer pursuant to such named executive officer's restrictive covenant agreement (which is incorporated by reference into such named executive officer's TW Employment Agreement), the Company will pay or provide the named executive officer with the following severance benefits:

(i) a lump-sum cash payment payable on the 60th calendar day following the termination date in an aggregate amount equal to the annual base salary that would have been paid to the named executive officer during the 12-month (for Mr. Prager only, 18-month) period (the “severance period”) following the termination date;

(ii) continued coverage during the severance period (or until such named executive officer becomes eligible for comparable coverage under the medical health plans of a successor employer, if earlier) for such named executive officer and any eligible dependents under all of the Company’s health and welfare plans in which such named executive officer and any such dependents participated immediately prior to the termination date, subject to any active-employee cost-sharing or similar provisions in effect for such named executive officer thereunder as of immediately prior to the termination date; *provided, however*, that such coverage will not be provided in the event the Company would be subject to any excise tax under Section 4980D of the Code or other penalty or liability pursuant to the provisions of the Patient Protection and Affordable Care Act of 2010, as amended, and, in lieu of providing the coverage described above, the Company will instead pay such named executive officer a fully taxable monthly cash payment in an amount such that, after payment by such named executive officer of all taxes on such payment, such named executive officer retains an amount equal to the applicable premiums for such month, with such monthly payment being made on the last day of each month for the remainder of the severance period;

(iii) a prorated portion of the annual bonus payable with respect to the fiscal year in which such termination occurs determined on a daily basis, based on target level of achievement of the applicable performance goals for such year, payable on the 60th calendar day following the termination date;

(iv) any previously earned annual bonus payable to such named executive officer for any fiscal year completed on or before the termination date that has not been paid to such named executive officer as of the termination date, payable on the 60th calendar day following the termination date; and

(v) all outstanding equity awards then-held by such named executive officer (excluding the Inducement Award) will be treated in accordance with the terms of the applicable equity plan and award agreements; *provided, however*, that, with respect to awards that vest (x) solely based on continued service with the Company, such named executive officer will vest in any tranche scheduled to vest in accordance with the applicable award agreement during the severance period and (y) based on the achievement of performance criteria, based on the actual achievement of such performance criteria that occurs during the severance period.

The TW Employment Agreements provide that if a named executive officer’s employment is terminated by the Company due to such named executive officer’s death or disability (each as defined in the applicable TW Employment Agreement), subject to such named executive officer’s (or his or her estate’s) execution of an effective general release of claims and continued compliance with non-competition, non-solicitation and other restrictive covenants applicable to such named executive officer pursuant to such named executive officer’s restrictive covenant agreement, the Company will pay or provide such named executive officer (or his or her estate) with the following severance benefits:

(i) a prorated portion of the annual bonus payable with respect to the fiscal year in which such termination occurs determined on a daily basis, based on target level of achievement of the applicable performance goals for such year, payable on the 60th calendar day following the termination date; and

(ii) any previously earned annual bonus payable to such named executive officer for any fiscal year completed on or before the termination date that has not been paid to such named executive officer as of the termination date, payable on the 60th calendar day following the termination date.

Pursuant to the terms of a restrictive covenant agreement entered into between the Company and each of the named executive officers, each of the named executive officers is bound by certain restrictive covenants during employment and for a specified period thereafter, including non-competition (6 months post-employment; provided that such period increases to 12 months post-employment if the named executive officer’s employment is terminated by the Company for cause), non-solicitation (18 months post-employment), non-disparagement (indefinite) and confidentiality (indefinite).

The award agreements, pursuant to which Mr. Fleury and Ms. Langlais were granted awards of RSUs and PSUs under our 2021 Plan, provide that, in the event of his or her termination of employment or service with the Company at any time, all unvested RSUs and PSUs, as applicable, are immediately canceled. The Inducement Award also provides that, in the event of Mr. Fleury’s termination of employment or service with the Company at any time, all unvested RSUs are immediately canceled.

PAY VERSUS PERFORMANCE

Pay Versus Performance Table

The following table sets out information regarding fiscal years ended December 31, 2023, December 31, 2022 and December 31, 2021 in satisfaction of Item 402(v) of Regulation S-K, which requires disclosure regarding executive “compensation actually paid” or “CAP” (as calculated in accordance with SEC rules) and certain Company performance.

- (1) The dollar amounts reported in this column are the amounts of total compensation reported for our Principal Executive Officer (“PEO”) for each corresponding year in the “Total” column of the Summary Compensation Table, which for 2023 and 2022, includes our current PEO Paul Prager (PEO 1), and for 2021, includes our current PEO Paul Prager (PEO 1) and former PEO Glenn Sandgren (PEO 2).
- (2) The dollar amounts reported in this column represent the amount of “compensation actually paid” to our PEO for the applicable fiscal year, as computed in accordance with Item 402(v) of Regulation S-K, which for 2023 and 2022, includes our current PEO Paul Prager, and for 2021, includes our current PEO Paul Prager and former PEO Glenn Sandgren (PEO 2). The dollar amounts do not reflect the actual amount of compensation earned by or paid to such executives during the applicable year. No adjustments were made to Mr. Prager’s compensation reported in the “Total” column of the Summary Compensation Table as no equity compensation was granted to or outstanding for Mr. Prager during 2023, 2022 and 2021. No adjustments were made to Mr. Sandgren’s compensation reported in the “Total” column of the Summary Compensation Table for the fair value at year-end of his outstanding and unvested equity awards granted in 2021 as such awards were canceled and settled/exercised in connection with the Company’s completion of its business combination, including the related mergers, with IKONICS on December 13, 2021 and, as a result, such values were already included in Mr. Sandgren’s compensation reported in the “All Other Compensation” and “Total” columns of the Summary Compensation Table for the fiscal year 2021 as disclosed in the Company’s 2022 proxy statement.
- (3) The dollar amounts reported in this column represent the average of the amounts reported for the Company’s non-PEO named executive officers (“Non-PEO NEOs”) as a group in the “Total” column of the Summary Compensation Table in each applicable year. For purposes of calculating the average amounts in each applicable year, the names of each of the Non-PEO NEOs included are as follows: (a) for 2023: Patrick Fleury and Kerri Langlais; (b) for 2022: Patrick Fleury and Kenneth Deane; and (c) for 2021: Nazar Khan, Kerri Langlais, Claude Pigué and Kenneth Hegman.
- (4) The dollar amounts reported in this column represent the average amount of “compensation actually paid” to the Non-PEO NEOs as a group in the applicable year as computed in accordance with Item 402(v) of Regulation S-K. The dollar amounts do not reflect the actual average amount of compensation earned by or paid to the Non-PEO NEOs as a group during the applicable year. In accordance with the requirements of Item 402(v) of Regulation S-K, the adjustments in the table below were made to the average total compensation for the Non-PEO NEOs as a group for 2023 to determine the compensation actually paid.

(5) Cumulative Total Shareholder Return (“TSR”) is calculated by dividing the difference between the Company’s share price at the end and the beginning of the measurement period by the Company’s share price at the beginning of the measurement period. The Company did not declare dividends for the fiscal years ended December 31, 2023 and 2022 and the period from February 8, 2021 (date of inception) to December 31, 2021.

(6) Dollar amounts reported in this column represent the amount of net loss reflected in the Company’s audited consolidated financial statements for the fiscal years ended December 31, 2023 and 2022 and the period from February 8, 2021 (date of inception) to December 31, 2021.

Relationship Between Pay and Performance

For the three-year period shown in the table above, the amount of CAP for our PEO Paul Prager is not generally aligned with our TSR because Mr. Prager did not receive any equity-related compensation during such period. By contrast, our Non-PEO NEOs receive equity awards, which vary in value year-to-year depending on our stock price. As a result, the amount of CAP for our Non-PEO NEOs is somewhat related to our TSR over time. For example, PSUs, which are an integral part of our executive compensation program for our Non-PEO NEOs, are related to Company performance, although not directly tied to TSR, because they provide value only if the price of our common stock increases, subject to the NEO’s continued employment over the applicable performance period. These PSU awards strongly align our Non-PEO NEOs’ interests with those of our stockholders by providing a continuing financial incentive to maximize long-term value for our stockholders and by encouraging our Non-PEO NEOs to continue in our employment for the long term. In addition, our CAP for our PEO and Non-PEO NEOs is generally aligned with our net loss for the years shown in the table above.

DIRECTOR COMPENSATION

Compensation of Directors

Consistent with our non-employee director compensation policy, each of our non-employee directors will receive, as applicable, an annual director fee, fees for serving as the lead independent director or chair of a committee and equity awards in connection with his or her services. In addition, each director is reimbursed for out-of-pocket expenses in connection with his or her services. As employees of the Company, Mr. Prager and Ms. Langlais do not receive any additional compensation for their services on our Board of Directors.

Our current non-employee director compensation program has two components: (1) a cash component, designed to compensate members for their service on our Board of Directors and its committees and (2) an equity component, designed to align the interests of our directors and stockholders and, by vesting over time, to create an incentive for continued service on our Board of Directors. The following table describes the compensation arrangements with our non-employee directors effective for fiscal year 2023:

Annual Cash Retainers

• Cash retainer	\$60,000
• Lead independent director (additional cash retainer)	\$25,000
• Committee chairmanship (additional cash retainers)	Audit Committee Chair: \$25,000 Compensation Committee Chair: \$25,000

Annual Equity Award

RSUs that vest on the first anniversary of the date of grant

Each non-employee director will receive an annual grant of RSUs with a grant date value of \$90,000.
The lead independent director will receive an additional annual grant of RSUs with a grant date value of \$25,000.

The cash elements of compensation are paid in quarterly installments in arrears and prorated for partial quarterly service. Under the terms of our 2021 Plan, the maximum amount (based on the fair value of our shares of common stock underlying awards on the grant date as determined in accordance with applicable financial accounting rules) of awards that may be granted in any single fiscal year to any non-employee member of our Board of Directors, taken together with any cash fees paid to such individual during such fiscal year, is \$900,000.

As a public company, our Compensation Committee will periodically review and make recommendations to our Board of Directors regarding the form and amount of compensation for non-employee directors. Our director compensation program is designed to enable continued attraction and retention of highly qualified directors and to address the time, effort, expertise and accountability required of active board membership.

Director Compensation Table for 2023

During fiscal year 2023, our directors received annual grants of RSU awards with grant date values in the following amounts in accordance with the terms of our non-employee director compensation policy: \$90,000 for all our directors, except for Mr. Pincus, who received \$115,000 as lead independent director. The RSUs vest on the first anniversary of the grant date, subject to the director's continued service with the Company through each vesting date.

The table below summarizes compensation provided to each non-employee director for services provided during fiscal year 2023.

⁽²⁾ Amounts set forth in this column represent the aggregate dollar amount of all fees earned or paid in cash for services as a director, including basic retainer fees and committee and/or chair fees under our non-employee director compensation program. On March 8, 2023, our Board of Directors modified our non-employee director compensation policy to permit participating directors to elect to receive cash retainers accrued since the beginning of the fourth fiscal

quarter of 2022 in shares of our common stock in lieu of cash, with the number of shares of common stock granted to be equal to the applicable cash retainer divided by the fair market value of our common stock on the last trading day of the applicable fiscal quarter, *provided, however*, that, with respect to cash retainers accrued during the fourth fiscal quarter of 2022, the number of shares of our common stock granted was equal to the applicable cash retainer divided by the greater of (a) the closing price of our common stock on December 30, 2022 and (b) the closing price of our common stock on the date the election was made. All our directors elected to receive their respective cash retainers accrued in each quarter of 2023 in shares of our common stock, except for Mr. New who received cash for services as a director related to the third and fourth quarters of 2023.

- (3) The amounts set forth in this column represent the aggregate grant date fair value of the RSU awards granted to certain of our directors in 2023 computed in accordance with FASB ASC Topic 718.

⁽²⁾ There are 6,334,298 shares of common stock that remain available for grant under our 2021 Plan, which may be granted to those recipients permitted by the Nasdaq listing rules. In addition, the 2021 Plan provides for an automatic increase in the number of shares reserved for issuance thereunder. The share pool will automatically increase each fiscal year following May 13, 2021, which began fiscal year 2022 and will end with fiscal year 2026 by the lesser of (i) 1% of the total number of shares of our common stock outstanding on the last day of the immediately preceding fiscal year on a fully diluted basis assuming that all shares available for issuance under the 2021 Plan are issued and outstanding or (ii) such number of shares of our common stock as determined by our Board of Directors. The increase shall occur on the first day of each such fiscal year or another day selected by our Board of Directors during such fiscal year.

PROPOSAL 2 – NON-BINDING, ADVISORY VOTE ON EXECUTIVE COMPENSATION

We are seeking your non-binding, advisory vote as required by Section 14A of the Exchange Act, on the approval of the compensation of our named executive officers as described in the “Executive Compensation” section in this proxy statement. Because your vote is advisory, it will not be binding on our Compensation Committee or our Board of Directors. However, the Compensation Committee and our Board of Directors will review the voting results and take them into consideration when making future decisions regarding executive compensation.

We are asking our stockholders to indicate their support for our executive compensation programs as described in this proxy statement. This vote is not intended to address any specific term of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. The Compensation Committee and the Board of Directors believe that these policies and procedures are effective in implementing our compensation philosophy and in achieving our goals.

This proposal, commonly known as a “Say-on-Pay” proposal, gives you, as a stockholder, the opportunity to endorse or not endorse our executive pay program through the resolution below. We expect the next “Say-on-Pay” proposal to take place at our 2025 annual meeting of stockholders.

“RESOLVED, that our stockholders APPROVE, on a non-binding advisory basis, the compensation of the named executive officers, as disclosed in this proxy statement.”

The approval, on a non-binding, advisory basis, of the compensation of our named executive officers requires the affirmative vote of a majority of the votes present or represented by proxy and entitled to vote thereon.

The Board of Directors recommends that the stockholders vote FOR the approval, on a non-binding, advisory basis, of the compensation of the named executive officers as disclosed in this proxy statement.

CERTAIN RELATIONSHIPS AND RELATED PERSON TRANSACTIONS

Other than compensation arrangements for our executive officers and directors (see “Executive Compensation” for a discussion of compensation arrangements for our named executive officers and directors) and the transactions discussed below, there were no transactions since the beginning of our 2023 fiscal year, or any currently proposed transaction, to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed \$120,000; and
- any of our directors, executive officers or holders of more than 5% of our capital stock, or any member of the immediate family of the foregoing persons, had or will have a direct or indirect material interest.

Policies and Procedures for Related Party Transactions

We have adopted a written policy on transactions with related parties that is in conformity with the requirements for issuers having publicly held common stock that is listed on the Nasdaq. Related party transactions are defined as transactions in which (i) the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year, (ii) the Company or any of its subsidiaries is a participant and (iii) a “Related Person” has, has or will have a direct or indirect material interest. For purposes of our written policy, a “Related Person” means any (i) executive officer, director or nominee for election as a director, (ii) greater than 5% beneficial owner of the Common Stock, (iii) immediate family member of the persons referred to in clauses (i) and (ii), and (iv) any firm, corporation or other entity in which any of the foregoing persons is employed or is a general partner or principal or in a similar position or in which such person has a ten percent (10%) or greater beneficial ownership interest.

Under the related party transactions policy, the Company’s general counsel, or his or her designee, is primarily responsible for developing and implementing processes and procedures to obtain information regarding related parties with respect to potential related party transactions and then determining, based on the facts and circumstances, whether such potential related party transactions do, in fact, constitute related party transactions requiring compliance with the policy. If the Company’s general counsel, or his or her designee, determines that a transaction or relationship is a related party transaction requiring compliance with the policy, the Company’s general counsel, or his or her designee, will be required to present to the Audit Committee all relevant facts and circumstances relating to the related party transaction. The Audit Committee will be required to review the relevant facts and circumstances of each related party transaction, including if the transaction is on terms comparable to those that could be obtained in arm’s-length dealings with an unrelated third party and the extent of the related party’s interest in the transaction, take into account the conflicts of interest and corporate opportunity provisions of the Company’s code of ethics, and either approve or disapprove the related party transaction. If the Audit Committee’s approval of a related party transaction requiring such approval is not feasible in advance of such related party transaction, then the transaction may be preliminarily entered into upon prior approval of the transaction by the chair of the Audit Committee, subject to ratification of the transaction by the Audit Committee at its next regularly scheduled meeting; *provided, however*, that, if the ratification is not forthcoming, the Company’s management will make all reasonable efforts to cancel or annul the related party transaction. If a transaction was not initially recognized as a related party transaction, then, upon such recognition, the related party transaction will be presented to the Audit Committee for ratification at its next regularly scheduled meeting; *provided, however*, that, if the ratification is not forthcoming, the Company’s management will make all reasonable efforts to cancel or annul the related party transaction. **PROPOSAL 3 – RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED
PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed RSM US LLP to be the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2024. RSM US LLP has served as the Company’s or its predecessor’s independent registered public accounting firm since fiscal year 2018 and is considered by the Audit Committee and the Board of Directors to be professionally qualified. Representatives of RSM US LLP are expected to be present at the Annual Meeting. Such representatives will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

The proposal will be approved by the affirmative vote of a majority of the voting power of the shares of Common Stock and Series A Preferred Stock, voting together as a single class, present in person or by proxy at the Annual Meeting and entitled to vote thereon. Abstentions will have the effect of voting “against” the proposal. Brokers have discretion to vote on any uninstructed shares over the ratification of appointment of accountants.

The Board of Directors recommends that the stockholders vote FOR such ratification.

PROPOSAL 4 – APPROVAL OF AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION OF THE COMPANY TO INCREASE THE MAXIMUM NUMBER OF AUTHORIZED SHARES OF COMMON STOCK, WITH THE PAR VALUE OF \$0.001 PER SHARE, FROM 400,000,000 TO 600,000,000

The Board believes that it is desirable for the Company to have a sufficient number of shares of Common Stock available for the satisfaction of its existing obligations to issue shares of Common Stock as and if they become due, for possible future financing transactions, stock dividends or splits, stock issuances pursuant to employee benefit plans and other proper corporate purposes. Our Board may also choose to issue shares of Common Stock in connection with future strategic partnerships and collaborations or acquisitions, and for other purposes.

This description of Proposal 4 is a summary and is qualified by the full text of the Charter Amendment, which is attached to this Proxy Statement as Appendix A and incorporated herein by reference.

Vote Required

Approval of Proposal 4 requires FOR votes from the holders of at least a majority of the total outstanding shares entitled to vote, regardless of whether such shares are present in person or represented by proxy at the Annual Meeting. You may vote “FOR” or “AGAINST” this proposal, or you may indicate that you wish to “ABSTAIN” from voting on this proposal. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum and will have the same effect as a vote “AGAINST” this proposal. As a “routine” proposal, we do not expect broker non-votes on this proposal.

If the Charter Amendment is approved by the requisite number of our stockholders, we expect to file the approved Charter Amendment with the Secretary of State of the State of Delaware promptly after the Annual Meeting, which will become effective at the time of the filing.

Notwithstanding the foregoing, at any time prior to the effectiveness of the filing of an approved charter amendment with the Secretary of State of the State of Delaware, our Board reserves the right to abandon the approved charter amendment and not to file the charter amendment, even if the Charter Amendment is approved by our stockholders, if our Board, in its discretion, determines that the approved Charter Amendment is no longer in the best interests of our Company or our stockholders.

If the Charter Amendment is not approved by the requisite vote of our stockholders, then the Charter Amendment will not be filed with the Secretary of State of the State of Delaware and our current Amended and Restated Certificate of Incorporation will remain in place and our number of authorized shares will remain unchanged.

The Board of Directors recommends that the stockholders vote FOR approval of the Charter Amendment.

STOCKHOLDER PROPOSALS

A stockholder who wishes to present a proposal for inclusion in the Company's proxy statement for the 2025 annual meeting of stockholders (the "2025 Annual Meeting") pursuant to Rule 14a-8 under the Securities Exchange Act of 1934 ("Rule 14a-8" and "Exchange Act", respectively) must deliver the proposal to our principal executive offices (TeraWulf Inc., 9 Federal Street, Easton, MD 21601) to the attention of our Secretary no later than the close of business on November 19, 2024, unless the date of the 2025 Annual Meeting is more than 30 days before or after April 16, 2025, in which case the stockholder proposal must be received a reasonable time before we begin to print and mail our proxy materials.

For any stockholder proposal that is not submitted for inclusion in our proxy statement pursuant to the process set forth above, but is instead sought to be presented directly at the 2025 Annual Meeting, stockholders are advised to review our bylaws as they contain requirements with respect to advance notice of stockholder proposals and director nominations. Our bylaws provide that stockholders who are seeking to bring business before an annual meeting of stockholders and stockholders who are seeking to nominate candidates for election as directors at an annual meeting of stockholders must provide timely notice thereof in writing. Other than for certain of the Company's significant stockholders, to be timely, a stockholder's notice generally must be delivered to and received at our principal executive offices not less than 90 days nor more than 120 days prior to the first anniversary of the preceding year's annual meeting of stockholders; *provided*, that, in the event that the date of such meeting is advanced by more than 30 days prior to, or delayed by more than 60 days after, the anniversary of the preceding year's annual meeting of our stockholders, a stockholder's notice to be timely must be so delivered (x) no earlier than 30 days before such annual meeting and (y) no later than the 10th day after the day on which the notice of such annual meeting was first made by mail or public disclosure.

We advise you to review our bylaws for additional stipulations relating to the process for identifying and nominating directors, including advance notice of director nominations and stockholder proposals. Copies of the pertinent bylaw provisions are available on request to the Secretary at the address set forth above.

In addition to satisfying the advance notice procedures in our bylaws and other requirements under the Exchange Act, in order to comply with the SEC's universal proxy rules, stockholders who intend to solicit proxies in support of director nominees other than our nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than February 15, 2025.

HOUSEHOLDING MATTERS

The SEC has adopted rules that permit companies to deliver a single Notice or a single copy of proxy materials to multiple stockholders sharing an address unless a company has received contrary instructions from one or more of the stockholders at that address. This means that only one copy of the Annual Report, this proxy statement and the Notice may have been sent to multiple stockholders in your household. If you would prefer to receive separate copies of the Notice and/or proxy statement, either now or in the future, please contact Stefanie C. Fleischmann by mailing a request to TeraWulf Inc., 9 Federal Street, Easton, MD 21601, or by calling our telephone number at 410-770-9500 and requesting to be connected to the office of Stefanie C. Fleischmann. Upon written or oral request to Stefanie C. Fleischmann, we will promptly provide a separate copy of the Annual Report and this proxy statement and Notice. In addition, stockholders at a shared address who receive multiple copies of the Notice or multiple copies of proxy materials may request to receive a single Notice or a single copy of proxy materials in the future in the same manner as described above.

OTHER MATTERS

The Board of Directors, at the time of the preparation of this proxy statement, knows of no business to come before the Annual Meeting other than that referred to herein. If any other business should properly come before the Annual Meeting or any adjournment or postponement thereof, the persons named in the accompanying proxy card will have authority to vote, in their discretion, all shares represented by such proxies that have been received and not theretofore properly revoked.

We file our annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K, proxy statements and other documents electronically with the SEC under the Exchange Act. You may obtain such reports from the SEC's website at www.sec.gov.

Our Investor Relations website address is www.investors.terawulf.com. We make available, free of charge through our Investor Relations website, our annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K, and amendments to those reports filed or furnished pursuant to Sections 13(a) or 15(d) of the Exchange Act as soon as reasonably practicable after such material is electronically filed with, or furnished to, the SEC.

Upon the written request of any record holder or beneficial owner of Common Stock or Series A Preferred Stock entitled to vote at the Annual Meeting, we will, without charge, provide a copy of our Annual Report on Form 10-K, including the financial statements and the financial statement schedules, for the fiscal year ended December 31, 2023, as filed with the SEC. Requests should be directed to Stefanie C. Fleischmann, TeraWulf Inc., 9 Federal Street, Easton, MD 21601.

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This proxy statement contains certain information that may constitute “forward-looking statements” within the meaning of the U.S. Private Securities Litigation Reform Act of 1995. While we have specifically identified certain information as being forward-looking in the context of its presentation, we caution you that all statements contained in this proxy statement that are not clearly historical in nature are forward-looking. Without limiting the generality of the preceding sentence, these forward-looking statements are generally identified by the use of forward-looking terminology, including the terms “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “intend,” “likely,” “may,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “target,” “will,” “would” and, in each case, their negative or other various or comparable terminology, we intend to clearly express that the information deals with possible future events and is forward-looking in nature. However, the absence of these words or similar expressions does not mean that a statement is not forward-looking.

Forward-looking information involves risks, uncertainties and other factors that could cause actual results to differ materially from those expressed or implied in, or reasonably inferred from, such statements. Therefore, caution should be taken not to place undue reliance on any such forward-looking statements. Much of the information in this proxy statement that looks towards the future performance of the Company is based on various factors and important assumptions about future events that may or may not actually occur. As a result, our operations and financial results in the future could differ materially and substantially from those we have included in this proxy statement. We assume no obligation (and specifically disclaim any such obligation) to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as required by law.
