IKONICS ANNOUNCES THIRD QUARTER 2021 RESULTS

DULUTH, MN - IKONICS Corporation (Nasdaq: IKNX), a Duluth-based imaging technology company (“IKONICS” or the “Company”), announced its third quarter 2021 earnings. The Company posted record third quarter revenue in 2021 with sales of \$4,743,000 compared to \$3,135,000 for the same period in 2020, an increase of 51%. IKONICS realized a third quarter loss of \$851,000 or \$0.43 per diluted share, versus the third quarter 2020 loss of \$274,000, or \$0.14 per diluted share. For each of the nine months ending September 30, 2021 and 2020, the net loss was \$0.96 per diluted share.

Both the 2021 third quarter and year-to-date earnings have been unfavorably impacted by the pending business combination with TeraWulf, Inc. (“TeraWulf”) and related expenses incurred to date. On a non-GAAP basis for the three and nine month periods ended September 30, 2021 IKONICS realized earnings of \$206,000 and \$27,000, or \$0.10 and \$0.01 per diluted share, respectfully, adding back professional service and stock based compensation expenses specifically related to the pending transaction.

IKONICS CEO, Glenn Sandgren reports, “We are pleased with our overall performance. The IKONICS team has done a remarkable job maximizing productivity at every level given the prevailing constraints. Our plan to increase shareholder value is progressing rapidly. We remain excited by the continued improvement of our results further demonstrating the inherent value of our legacy business, and most importantly, the prospects of the pending business combination with TeraWulf – whose team is striving to generate environmentally sustainable bitcoin at an industrial scale in the United States using over 90% zero-carbon energy.”

Key Highlights:

- Non-GAAP third quarter 2021 earnings were \$206,000 on record third quarter revenue of \$4,743,000.
 - Industry-wide supply chain challenges remain and are impacting revenue. Issues have lessened but are expected to continue at least through the end of 2021.
 - Core businesses continue to experience robust demand, producing a strong order backlog.
 - Pending business combination with TeraWulf is expected to close in the fourth quarter of this year.
